DETAILED entry

YOU can find the award criteria on our website at
www.britishparkingawards.co.uk

MAKE sure you answer the detailed award criteria using the guidelines shown here [>>](#)

- > CONSIDER the award criteria and address each one in turn
- > IT is much easier for judges to score your entry if they can clearly relate your comments to the criteria they are judging
- > THE judges are interested in outcomes, so include relevant data that shows successful results, particularly if this can be related to stated objectives
- > IF this is a joint or partnership entry, it is helpful if the judges can distinguish the contribution of each of the organisations involved
- > BE as positive as possible and upbeat as you are able, but avoid gushing prose that does not address the entry criteria

ADDITIONAL material

PLEASE support your entry with additional material relevant to the award criteria, such as visuals, photographs, publicity material, financial analysis and performance assessments
